Board Minute Taker (casual):	Lauren McLeod
Track Attendants (casual):	Jonathan Catacchio and Hayden Beelitz

PRESIDENT'S REPORT

I would like to acknowledge the wonderful welcoming athletic community we have in South Australia. Having enjoyed the past two years as your president I believe I have now settled well into the life of athletics and have an in-depth strategic understanding of our sport to move forward and upwards. This last year has again had it's challenges but more importantly a number of great achievements were made both on and off the track and field.

Some changes to the Board occurred last year with Erin Rice joining the Board as an appointed Director, bringing valuable legal and HR skills and expertise. We saw Joe Stevens elected back on to board while Caroline Jackman, who had taken on a casual appointment during 2018, was also elected as a Director at the AGM. The appointment of Daniel Kirk finalised the Board bringing a current athlete and inclusion perspective.

Our CEO Bridget Senyszyn continued to work with tremendous speed and enthusiasm for the organisation so it was with great disappointment when she announced her resignation in December 2018 to take up a role in the Office for Recreation Sport and Racing. Bridget had big shoes to fill when she took on the responsibility as CEO. Her infectious smile and genuine connection with people made her approachable and well-liked by both affiliates and stakeholders - she will be greatly missed.

At the commencement of 2019 we sought a new CEO for the organisation, identifying that the business of athletics would be a priority. In March, Shane Fuller was appointed to the role which brought extensive business and leadership experience and skills. Shane has quickly grasped the operations of the business and the culture of the sport

of athletics. He has shown eagerness to get on board, meet with members and stakeholders, to work strategically with the board and negotiate for better outcomes from our sponsors. Shane's vision, approach and energy to build and improve the sport of Athletics in South Australia for all is clear.

I would like to acknowledge Adam Didyk's departure from Athletics SA as the Coaching Coordinator, but not from our sport, to take up a new role with Athletics Australia. This newly created position of State Performance Coach sees Adam work closely with Athletics SA and the South Australian Institute of Sport ensuring the development and growth of our elite athletic pathway in South Australia.

The Annual Awards Dinner continued to be a highlight in the athletic calendar and keeps growing as our community comes together to share and celebrate the wonderful achievements of our sport. This included celebrating our 2018 Life Members.

I had the honour and privilege to award the President's Award with this year's recipient being Brenda Pearl. Brenda's passion, commitment and dedication in athletics spanned over 65 years as a volunteer and official. She continues to be a positive voice for our sport and her involvement has not waived, still very present and active in the wellbeing, culture and family of South Australian athletics.

The 2018-19 year did see many changes to the management of our sport but operationally we continued to deliver on the business of the sport which included:

- Continuing to build strong relationships with Clubs, Stakeholders, Sponsors and the government
- Advocating on your behalf ensuring that the voice and needs of athletics in South Australia is heard both locally and nationally
- Making sure we are relevant, innovative and progressive so that we can demonstrate why athletics is the most inclusive sport, a foundation sport, and a sport for all.

One significant leadership achievement for the organisation was the establishment of a Memorandum of Agreement between Little Athletics SA and Athletics SA. After 12 months of much discussion and negotiation both organisation's Boards were in agreement that working together for the benefit of athletics for all was essential for the growth of participation in South Australia. The idea of being 'one sport' has been further highlighted by the work of our affiliates with the formation of three One Clubs and with the announcement in October 2019 of One Athletics - the proposed merger of Athletics Australia and Little Athletics Australia.

I have been pleased to see the Board stepping up as we have developed a more strategic approach to our business. To the executive team of Andrew Tickle (Vice President) and David Cross (Finance Director) your insight has been invaluable and I think we have made a great team in leading the Board. And to Board Directors Caroline Jackman, Erin Rice, Joe Stevens, Michelle Devine and Daniel Kirk your service and dedication to the sport is not only acknowledge but appreciated.

Thanks to the team of Shane, Andy, Jon, Julie, Krista, Lisa, Rita, Matt and Leon, as we continue to fly together as one, our small but dedicated team. We look forward to the opportunities and the projects that you inspire and create for the betterment, growth and development of our sport in South Australia.

Finally, to our community, thank you for all that you do. We do hear and see what you do as volunteers for your clubs and our sport. Your passion and dedication to athletics does not go unnoticed and I will continue to say that without volunteers there would be no athletics. Bring on 2019-20.

Jane Russo
President and Chair, Athletics SA

CHIEF EXECUTIVE'S REPORT

Season 2018-2019 saw continued growth achieved and the ground work being laid for future development of our sport in South Australia.

Athletics SA continued to execute against its 2017-2020 Strategic Plan that focuses on the four key areas of Leadership, Events, Participation and Performance, People and Culture and Communications and Systems.

Leadership

We are progressing towards the vision of being One Sport that is appropriately positioned to realise its full potential by uniting athletics in South Australia. Athletics SA signed two significant Memorandum of Agreements in 2018-2019, one being the One Sport agreement with Little Athletics SA and the other a Marketing and Communications agreement involving eight South Australian athletics and running entities. This Athletics Alliance aims to increase the visibility of respective stakeholder product offerings, build on relationships between each other, and enhance the ability of current and potential participants to engage in athletics pursuits through a 'one stop shop'.

As a new-comer to athletics I have been overwhelmed with the welcome and support I have received since starting as Chief Executive Officer in March 2019. The sport is well placed in terms of participation and operations thanks to the efforts of those that have been involved for many years.

I add my thanks to Jane's for the work of Bridget Senyszyn, firstly in Pathways where she was instrumental in driving One Sport and One Club objectives, and recently as CEO. Bridget remains in our lives in her new capacity at the Office of Recreation, Sport and Racing where she is part of the team working on Statewide initiatives Game On and the Infrastructure Plan, in which Athletics SA has provided substantial input.

Facilities

Several of the infrastructure projects announced last year have been delivered for the athletics community thanks to the support of State and local government funding. The Port Adelaide and Enfield Harriers clubs now enjoy synthetic running straights for training and competition purposes.

The replacement of the Outdoor Gym at the SA Athletics Stadium with a focus on pole vault athletes is almost complete and the re-design of the back training area that will involve removal of the mound adjacent the straight and javelin area is underway. All user groups at the Stadium will also benefit from the 500 lux lighting upgrade that will be complete in February 2020.

Work has now commenced on the new 400m athletics track and field facility at Salisbury, to be known as Bridgestone Athletics Centre. Our State lags behind others in terms of dedicated track and field facilities and in light of the City of Salisbury's foresight and vision, backed by the State Government and Bridgestone Australia's generosity in donating the land, we will next year usher in just South Australia's second synthetic track.

Planning is underway to ensure we can take advantage of these new developments for the long term health of our sport.

Events, Participation and Performance

Athletics SA is well placed currently with our events program and membership at Club level remaining strong.

Events and Programs

The **Summer Track and Field Season** saw an increase of 3% and the **Winter Season** saw an increase in participation of 10% compared to the previous year. This is testament to growth in membership but most importantly to how the respective Committees and Events team led by Jon Henschke has listened to Club and athlete feedback and made changes to the program to improve outcomes. Most pleasing was the engagement by athletes in the February State Track and Field Championships where we had our highest level of entries for two decades.

2019 saw the second iteration of the **Synergy League**, which saw four teams selected through an athletics draft compete in a one night competition with a difference. We again ran the **Winter Throws** competition, allowing our throwers the opportunity to compete during the winter months. We were pleased that Commonwealth Games medallist and World Championships competitor Matt Denny was able to join us for competition this season and deliver a Master Class for numerous eager athletes.

Thank you to the members of our Track and Field and Out of Stadium Advisory Committees for their role in overseeing these events and formats to ensure that our events continue to grow, and athletes have the best opportunities.

Joint **Holiday Clinics** with Little Athletics SA and the development of the **Women's Recreational Running Network**, which had 2,000 registered members and six weekly scheduled runs remained part of our program.

The **Indigenous Program** at Port Adelaide Athletics Club continued to grow with over 60 athletes involved during the summer and given successful outcomes the funding has been extended for at least one more year. Our **Para Winter Program** again delivered a range of opportunities for para athletes and we thank the Office of Recreation, Sport and Racing for their on-going support in enabling a more inclusive sport.

The value of **coaches** and **officials** to our sport is immeasurable and we must continue to build on our capacity to raise the bar in these areas. The Officials Beginner Seminars and a spread of Coaching Courses were offered and we now have Lisa Attenborough focused on these important parts of our sport. We look forward to bringing new opportunities for coaches and officials to engage in professional development and improve their skills for the benefit of their athletes and clubs.

Membership

After a large increase of over 200 members last year, the 2018-2019 season saw a marginal reduction in competing members of 42 to a total of 1,322. The shift in Club governance structures with more moving to a One Club model is expected to stand us in good stead for the years ahead as athletes in Little Athletics find the pathway into senior athletics a simpler and easier transition. Congratulations to Western Districts who had their first year as One Club and to Port Adelaide that made the move to One Club with West Lakes and Districts Little Athletics Centre during the winter of 2019.

Running SA continued on its growth trajectory with 36,400 participants in 2018-2019, up 35% on the previous year. Recreational running is a burgeoning category and we continue to look at ways, together with Athletics Australia, on how we can engage further with this sector.

Performance

The past year we have seen more outstanding results by Athletics SA Members on a National and International Stage.

Jessica Trengove won the Oceania Marathon Championships which took place as part of the Gold Coast Marathon in the first weekend of July 2018. This race netted her a PB of 2:26:29 (improved since at Toronto to 2:25:59) and 2nd overall in an IAAF Gold Label Marathon.

The distance athletes continued their upwards trajectory by battling a challenging course in Maleny, Qld at the Australian Cross Country Championships. Riley Cocks and Caitlin Adams both came away with Open Silver medals in their respective events. The performance of the Open Men's team made up of Riley Cocks, Adrian Potter, Daniel Canala and Jacob Cocks created a historic moment for SA by achieving the first ever Gold Medal for a SA team at a Cross Country National Championships.

At the Australian Track and Field Championships Max Stevens lead the way for Team SA with a Gold Medal in the Open Men's 3000m Steeplechase to improve upon his Silver the previous year. Our throwers also excelled with Lachlan Page (Discus) and Jess Bell (Javelin) adding to the individual medal tally with Bronze Medals for the pair. Courtney Smallacombe also scored a bronze with her 3rd place in the Open Women's Pole Vault.

Our Para athletes were impressive once again at a National level; Brayden Davidson (T36) came away with a full range of medals (Gold – Long Jump / Silver – 200m / Bronze – 100m), while Daniel Kirk (F44) continued to improve with Silver in the Discus Throw.

Our sprinters came together well to win a Silver (Men's 4 x 100m) and Bronze (Men's 4 x 400m) to close out the championships.

The results over the domestic season saw six South Australian athletes selected to compete at the 2019 FISU Summer Universiade Games in Napoli, Italy. Jess Bell was the sole Field event athlete, selected in the Javelin. Our Distance athletes were selected on the track and road; Max Stevens (3000m SC), Daniel Canala (5000m), Caitlin Adams (5000m), Isobel Batt-Doyle (5000m / 10,000m), Riley Cocks (10,000m / Half Marathon).

SA had 18 athletes selected to represent Australia at the Oceania Championships which took place during June in Townsville, Queensland. Coming away with six Gold, two Silver and three Bronze Medals between them our representatives were: Max Stevens, Daniel Canala, Lachlan Page, Tara Palm, Jess Bell, Lucy Doney, Lucy Mauviel, Tamsyn Murdoch, Olivia Sandery, Isaac Heyne, Tristan Camilleri, Eddie Debenham, Molly Farmer, Emilaya Ellis, Salumi Robberts, Casey Buchanan, Jack Downey and Jesse Iese.

The 168 athlete strong State team performed very well at the Australian Athletics Championships in Sydney bringing home 58 medals (Gold 19, Silver 22, Bronze 17) to match last year's overall result.

The Emerging Athlete Program entered its second year in 2019 and exists to focus on high performing athletes between the ages of 17 and 23 years. The program was initially designed to bridge the gap between Athletics Australia's Junior High-Performance Programs and current SA Sport Institute and NASS scholarships. Changes to the high performance program at Athletics Australia has not altered our objectives here and we remain committed to helping athletes bridge the gap to higher honours. Part of the change at Athletics Australia is the appointment of State Performance Coaches/Advisors and we welcome Adam Didyk to this role in Adelaide.

Athletics SA continued to facilitate several different high performance programs in 2018-2019 including the SA Athletics Academy in conjunction with Little Athletics SA, and the Target Talent Program.

People and Culture

Our sport does not function without the efforts of volunteers that lead and organise our clubs. We have 17 competing clubs and 3 non-competing clubs affiliated with us, all run by passionate, committed people and I say thank you for what you do to encourage athletes to join and stay involved with athletics.

At our annual Awards Night in May I spoke of focussing on three things - **Respect, Professionalism and Collaboration.**

The first of these three things, **respect**, means supporting and respecting everyone involved in our sport – athletes, officials, parents, coaches, sponsors and partners – and this is a non-negotiable. The wellbeing of all of you is a priority to me and I invite you to join me in calling out any poor behaviour so we keep athletics a safe and enjoyable place for everyone.

I believe **professionalism** is important in our attempts to lift the profile and maturity of our sport. I'd like to lead a sport with a common and clearly understood vision of enjoyable, rewarding participation for our athletes, coaches, officials and volunteers, and from feedback received so far I appear to be on track with this.

Finally, I am delighted to see our athletics community working together in an aligned manner, **collaborating**, to grow our sport at the grass roots, participation level while providing simple, clear pathways for our athletes to keep enjoying the sport and facilitating higher performance for those that chose that path.

I am grateful for the manner in which Sue Bowman at Little Athletics SA has embraced the opportunity to work with me and share her experiences as our two organisations do more together.

I am also in-debted to the tireless work of our Athletics SA staff - Andrew, Jon, Julie, Rita, Krista, Matt, Adam and Lisa - over the course of 2018-2019. You all bring unique expertise and enthusiasm to our small team and I thank you sincerely. Welcome to Leon who recently joined us too. To our canteen staff who serve customers with a smile, our track attendants, and our regular volunteers who are so often willing to lend a hand, a big thank you.

I'd like to take this opportunity to thank the Board for their faith in selecting me to lead Athletics SA and also thanks to all of the officials, coaches and advisory panels who give up their time so readily to ensure the association continues to provide high quality events and programs for our members.

We would like to congratulate Caroline Jackman on being named Official of the Year and Michael Roeger named Male Para-Athlete of the Year by Athletics Australia, honours both richly deserved.

On a sombre note, Athletics SA wishes to acknowledge the passing of Athletics SA Life Members, Joan Atkins and Bob Hussey. On behalf of the athletics community, we extend our condolences to the Atkins, Fisk, and Hussey families and friends.

Communications and Systems

Financials

Athletics SA experienced some financial wins and loss's across the year recording an overall net loss of \$29,440.

On the up-side, our canteen operation experienced sales of over \$400,000, benefiting from hosting two sets of SAPSASSA events in the same financial year. This resulted in a \$36,700 profit after expenses and distributions. Membership revenue was also higher than budgeted and sponsorship marginally up after a low of \$32,000 the previous year. On the down-side we incurred higher travel expenses than anticipated for the National All Schools event in Cairns, and wrote off obsolete uniform stock which was donated to disadvantaged communities in South East Asia. The uniforms purchasing model currently adopted by Athletics SA with sponsor VIVA Global avoids this issue going forward. In addition, continuity of staff required long service leave provisions to be taken up for the first time.

In addition, as foreshadowed last year, Athletics SA has undertaken a comprehensive review of the fixed assets recorded in its balance sheet which resulted in a number of corrections to its fixed asset register. The effect of the corrections has been to reduce total fixed assets at book value and retained earnings by \$26,889.

The challenge being addressed now is reducing the reliance on grants, membership, canteen, and event entries so we can return to a position of profit. Sponsorship and fundraising is a focus for us, and we have already added new sponsors Lipman Karas, Coca-Cola Amatil and Adelaide IT Solutions to our group of partners for the coming year.

Athletics SA would like to acknowledge the generous support of our sponsors and partners, including the Government of South Australia via the Office for Recreation, Sport and Racing, the City-Bay Fun Run Trust, Vili's Family Bakery, Golden North, Adelaide City Council, VIVA Global, Lipman Karas and Joggersworld. Balfours will be our bakery partner going forward and we extend our sincere appreciation to Vili's for the input and service provided to Athletics SA over more than 10 years.

Systems

This year much work went into the selection and implementation of a new membership and event entry CRM system, RevSport, in conjunction with a sport-wide decision to change providers. It will provide better user experiences and enable our clubs to tailor their own membership to a greater extent.

Communications

In conjunction with RevSport we have also implemented a new website for Athletics SA and Running SA for members to access and as the 'shop-front' for our sport. Much more mobile friendly, the new sites have been well received.

Athletics SA continues to lead the nation when it comes to our communications via social media channels. Over 100,000 engagements during the National Track and Field Championships is evidence of the skill and commitment displayed by Matt Axford in keeping our community up to date with events and performances.

Future

Looking ahead to 2019-2020, the Board has the intention of continuing to invest in the growth of the sport. We are well placed to move confidently into the next few years, taking advantage of the recent investments in infrastructure to boost membership, participation and our commercial outcomes. Club development through the re-appointment of a Pathways Coordinator is back on track and we look forward to the consultation process that has now commenced regarding the proposed merger of Athletics Australia and Little Athletics Australia.

I wish everyone all the best for the new summer season of athletics – see you at the track!

Shane Fuller
CEO, Athletics SA

EVENTS MANAGER'S REPORT

The 2018-19 Season was once again a success with another consistent increase in participation of events as well as an increase in competition opportunities for clubs, athletes and the general public. Events such as Interclub, Event Cup Qualifying Rounds and Finals and the Cross-Country series all saw increases in participation for the 5th year in a row.

Whilst there were plenty of highlights, the standouts were the highest participated State Track and Field Championships in approximately 20 years and the increased connection with SA Little Athletics through five Open Day competitions.

After a busy 2017-18 Summer Season hosting national events, we were able to re-focus our efforts into refining and improving our domestic competitions to provide quality competitions for our local athletes. The Interclub season continued with a 2-week program with great success, averaging 320 athletes per meet with 1 Interclub being cancelled due to hot weather. The transition from club competition to state competition has clearly strengthened, with five of the seven State Championship events seeing significant increases in participation.

The two Adelaide Invitational events, along with Synergy League, gave the local athletics community a chance to view some of the state's best athletes in differing competition formats. Synergy League has become a highlight of the calendar, with the shortened format and increased track access giving spectators a chance to get track side access to some great races and field competitions all within one evening.

We once again hosted the Oceania 20km Walks Championships in early February, bringing athletes from all over the world to the 2km course along War Memorial Drive which is regarded as one of the most enjoyable courses in Australia and Oceania.

As we progressed to the Winter Season, we saw a similar program of events to last season with a couple of changes to suit a wide range of athletes from elite to recreational runners. The season consisted of three cross-country events, three relay events, the State 10km and 5km Road Championships and 3 fun runs which the general public could enter. Overall, the winter season saw a participation growth of 10% with a significant part of that increase coming from the three relay events, Ekiden Relay, City XC Relays and Botanic Relays. The relays events saw a significant increase in non-club teams entering, exposing recreational runners to our events and clubs.

The Winter Season was capped off with the hosting of the 2019 National Winter Walks Championships, incorporating the AA National Championships and Race Walking Australia (RWA) Championships. Just under 100 athletes from various states came together on the War Memorial Drive course on September 8th to race for both individual and team placings.

The 2019-20 Season is shaping up to be another exciting year, with SA hosting another two national events; The 2019 Australian Masters Games in October 2019 and the 2020 National Cross-Country Championships in August 2020. We look forward to seeing everyone back out on track this summer and hope we can continue to grow the sport even further in the next 12 months!

Events Manager, Athletics SA

SA Athletics Academy

Athletics SA and Little Athletics SA continue to develop a clear and cohesive pathway for the junior athletes of South Australia, the SA Athletics Academy. Divided into four categories – Target Talent Program (TTP), Gold Squad, Silver Squad and Bronze Squad, the athletes receive a combination of practical and educational sessions with a view to creating long term healthy and successful athletes.

The Gold Squad again looks to compliment the good work of the personal coaches and has had success in keeping contact and training throughout the Track and Field offseason. The sessions have been run by appointed coaches and we have again engaged some of the State's leading coaches. I'd like to thank Sharon Ward, Rachel Fisk, Steve Larsson, Jason Stevens, Paul Carlin, Simon Moran, Kym Simons and Paul Taylor for their continued support and input for the program.

The practical aspect of the program has been supported by education programs. The education program is delivered by a range of service providers engaged in multiple aspects of the sport, this allows for tailored sessions that address the foundations of being a long term, healthy and competitive athlete. The professionals that we have engage to deliver sessions include Emma Matthey – Sports Psychologist, Lauren Stribley – Sport Dietitian, PhysioSmart Physiotherapists – Matt Heavyside, Max Duncan, Jessica Trengove and Nathan Rosenzweig.

The Silver and Bronze squads are facilitated well by Little Athletics. The programs allow access to the whole suite of athletic events and specialised coaching for each. This important relationship will only continue to strengthen with initiatives like the academy where the two organisations work closely together to deliver a clear participation and performance pathway.

Target Talent Program

The TTP Squad is the Local arm of the Athletics Australia Junior High Performance Squad Program. The TTP athletes and coaches have seen an evolution of the program to a National guided Curriculum with key outcomes for each of the event groups. The education sessions have been targeted this year with various sessions aimed at athletes, coaches and parents respectively. The support of the whole athlete has been at the forefront through these sessions with the delivery of topics such as event specific nutrition, practical recovery, resilient mindsets and mindfulness.

Emerging Athlete Program

Athletics South Australia with the support of the Office for Recreation, Sport and Racing continues to develop a program to address the sustainability of South Australian High Performance athletics by bridging the gap between high performing junior athletes and the SASI program.

The program is dialling in on the best way to support identified athletes on a trajectory to compete in international benchmark events. The support and development of the coach and athlete partnership is paramount for the Emerging Athlete Program to be successful and have a legacy in the South Australian Athletics Community.

Athletics SA provides a well-rounded program centred around Long Term Athlete Development and support and will encourage the athlete and their coach to maximize their current practices. The legacy for coach development will enhance the technical knowledge of coaches in providing best practice support networks to further build South Australia's talent pool.

The contributions from Adam Didyk, Eddie Denis, Olivia Warnes, Emma Matthey, Matt Heavyside, Jess Trengove, Max Duncan, Geoff Verrall, Ben Raysmith and the University of South Australia have ensured that the athletes are surrounded with high level professionals striving for excellence.

The program consists of 14 athletes – Harrison Hunt (Paul Young), Sarah Eckel (Adam Didyk), Molly Farmer (Paul Young), Salumi Robberts (Andrew Fraser), Rose Pittman (Nik Hagicosostas / Peter Deane) Caitlin Adams (Adam Didyk), Anna Cross (Bob Cruise), Emilaya Ellis (Sharon Ward), Jesse Iese (Steve Larsson), Casey Buchanan (Simon Moran), Tiara Hatchard (Andrew Beck), Jack Downey (Kym Simons), Max Hagicosostas (Nik Hagicosostas) William McCann (Adam Didyk).

Congratulations to Caitlin Adams who represented Australia at the 2018 World University Track and Field Championships, Molly Farmer, Emilaya Ellis, Salumi Robberts, Jesse Iese, Casey Buchanan and Jack Downey all represented Australia at the Oceania Area Championships.

There were a number of athletes that also performed outstandingly to gain selection for and compete at the Oceania Championships – Max Stevens, Dan Canala, Lachlan Page, Tara Palm, Lucy Mauviel, Tamsyn Murdoch, Olivia Sandery, Isaac Heyne and Tristan Camilleri. Eddie Debenham gained selection however was unable to compete due to injury.

Para Winter Program

The Para Athlete Winter Program this year has evolved with the addition of Race Runners to the suite of events offered. RaceRunning is an innovative sport for people with a physical disability who have impaired balance, who are not able to functionally run, regardless of age. Race Running is currently a recognised event by World Para Athletics however is not yet in the Paralympic program.

Athletics SA has partnered with Novita and the Office for Recreation, Sport and Racing to be the central deliverer of the event in the State. Through a variety of specialised and inclusive events the future in South Australia is bright.

COACHING COORDINATOR'S REPORT

We held a similar number of courses this year to what we have in previous years. It was great to see that of those that attended courses, 7 of them managed to complete both a Level 1 and Level 2 course during the year.

This year we have engaged with the broader coaching community through email, newsletters and have an active presence on Facebook (Athletics SA Coaches). A survey was completed, and some of the key points are illustrated adjacent.

Athletics Australia implemented a revised Coaching Accreditation Framework which created a clearer pathway for the progression of coaches.

Financial Year Number of Coaching Renewals

2016-17	2017-18	2018-19
157	171	175

Financial Year Number of New Coaches*

2016-17	2017-18	2018-19
80	107	46

*(not counted as new coach until all course work complete, no deadline)

290 coaches active on database
100 female, 190 male

What ages do you coach?

What is your motivation for coaching?

OFFICIALS COORDINATOR'S REPORT

We are excited to have had another growth in officials' registrations for the 2018-19 season. We have welcomed several new young and promising officials to the SA Officials group and have seen some of our senior officials representing SA at a number of national and international competitions.

	2015	2016	2017	2018	2019
OFFICIALS	69	70	64	73	82

We continued to offer several development opportunities to our officials through various seminars. We held 2 Beginners Seminars, aimed at new volunteers and club helpers, as well as 4 Level 2 Seminars; Start of Season Seminar, Starters Seminar, Jumps Seminar and Throws Seminar.

	COURSES	ATTENDEES
BEGINNER SEMINARS	2	12
LEVEL 2 SEMINARS	3	43
	5	55

Our officials continued to represent South Australia at both national and international level in the 2018-19 season. We had 33 officials attend national events, including the National All Schools Championships, Oceania Walks Championships held in Adelaide and the Australian Athletics Championships. We also had 2 officials, Caroline Jackman and Zoe Eastwood Bryson, represent Australia at International level IAAF events.

We have been successful in applying for a grant to employ a part time Officials Coordinator for the 2019-20 season. The Officials Coordinator will be working closely with the officials throughout the upcoming season to recruit and retain new officials as well as working with current officials to provide development opportunities at state, national and international levels.

Jon Henschke
Events Manager, Athletics SA

FINANCIAL STATEMENTS

Notes to the Financial Statements For the year ended 30th June 2019

Note 1 - Statement of Significant Accounting Policies

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act (SA) 1985. The Board has determined that the association is not a reporting entity.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values, or except where specifically stated, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period, unless otherwise stated, have been adopted in the preparation of this financial report.

(a) Inventories

Inventories are valued at the lower of cost and net realisable value.

(b) Fixed Assets

Fixed assets are carried at cost less accumulated depreciation.

The depreciable amount of all fixed assets are depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use.

(c) Employee Benefits

Provision is made in respect of the association's liability for annual leave and long service leave at balance date, calculated at current rates of pay. The Board has determined that provision for long service leave is brought to account for employees who have completed four years of service, although the statutory liability for the association does not commence until employees have completed seven years of service.

Contributions to superannuation funds, at the rate specified for the superannuation guarantee levy, are charged as an expense when incurred.

(d) Income Tax

No provision for income tax is necessary, as the association is exempt from income tax under section 50-45 of the Income Tax Assessment Act 1997.

(e) Cash

Cash includes cash on hand and at bank.

(f) Revenue and Other Income

Revenue is measured at the fair value of the consideration received or receivable.

Canteen revenue, entry fees and registration fees are recognised when the entity obtains control over the funds which is generally at the time of receipt.

All revenue is stated net of the amount of goods and services tax (GST).

FINANCIAL STATEMENTS

Notes to the Financial Statements For the year ended 30th June 2019

(g) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the balance sheet are shown inclusive of GST.

(h) Correction of prior period error

During the period, the Association undertook a comprehensive review of the fixed assets recorded in its balance sheet which resulted in a number of corrections to its fixed asset register. The effect of the corrections has been to reduce total fixed assets at book value and retained earnings by \$26,889.

FINANCIAL STATEMENTS

Statement by the Board

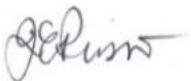

The Board has determined that the association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in the Notes to the financial statements.

In the opinion of the Board of the Athletic Association of South Australia Inc.:

- The accompanying financial report presents fairly the financial position of the Athletic Association of South Australia Inc. as at 30th June 2019.
- At the date of this statement, there are reasonable grounds to believe that the Athletic Association of South Australia Inc. will be able to pay its debts as and when they fall due.
- The association is not a subsidiary nor is there a subsidiary of the association; and
- The association is not a trustee of a trust.
- Since the end of the previous financial year:
 - no officer of the association, or
 - a firm of which the officer is a member, or
 - a body corporate in which the officer has a substantial financial interesthas received or become entitled to receive a benefit as a result of a contract between the officer, firm or body corporate and the association; and
- Since the end of the previous financial year, no officer of the association has received directly or indirectly from the association any payment or other benefit (other than a salary included in the aggregate amount of remuneration received or due and receivable by officers) of a pecuniary value.

Signed in accordance with a resolution of the Board of the Athletic Association of South Australia Inc.

Signed for and on behalf of the Board:

Jane
Russo
President

David Cross
Finance Director

Dated this 3rd day of October 2019

AUDITOR'S REPORT

**Athletic Association of South Australia Inc.
(trading as Athletics SA)**

Independent Auditor's Report

To the members of the Athletic Association of South Australia Inc.

ABN 14 661 448 453

Scope

I have audited the special purposes financial reports being the Financial Activity Statement (Statement of Income and Expenditure) and the Financial Position (Balance Sheet) of Athletic Association of South Australia Inc. and the attached summaries and notes for the year ended 30th June 2019.

The Board of Management is responsible for the Financial Reports. I have conducted an independent audit of the financial reports in order to express an opinion on it to the members and for the association to meet its obligations under the *Associations Incorporations Act (SA) 1985*.

The audit has been conducted in accordance with Australian Auditing Standards to provide reasonable assurance whether the financial report is free of material misstatement. The procedures included examination, on a test basis, of the evidence supporting the amounts and other disclosures in the financial report, and the evaluation of accounting policies and any significant accounting estimates. These procedures have been undertaken to form an opinion as to whether, in all material respects, the financial report is presented fairly so as to present a view which is consistent with my understanding of the association's financial position, objectives and the results of its operations.

The audit opinion expressed in this report has been formed on the above basis.

In my opinion the general purpose financial statements of the Athletic Association of South Australia Inc. and the notes appended represents a true and fair view in all material respects the financial position of the Association as at 30th June 2019 and its financial performance for the year then ended in accordance with the accounting policies described in the notes to the financial statements and the *Associations Incorporation Act (S.A.) 1985*.

Rod Shearing OAM FIPA FFA
Auditor
